Rechecking and Remarking

- 1. General Principles**
- 2. Procedures in WYHK**
- 3. Payment**
- 4. Important Dates**

Types of Services provided by HKEAA

◆ Rechecking

- Applications are processed on **a subject basis only**.
- **Scripts and score sheets** of the subject(s) concerned are **rechecked for technical errors** such as **incorrect mark entries** and **data inconsistencies**.
- Candidates are **not allowed to apply for rechecking and remarking of the same subject(s)**.
- Candidates may not apply for remarking of the subject(s) for which they have applied for rechecking, regardless of the results of rechecking.

◆ **Remarking**

- In general, applications are processed on a subject basis.
- For **Chinese Language** and **English Language** applications may be made **on a subject *or* component basis**. Candidates should note that remarking of Chinese Language and English Language on a subject basis **does not include the speaking component**. Applications for remarking of the video-recorded speaking component have to be made separately. For applications for remarking of a subject component, the scripts and score sheets of the other components of that subject will also be rechecked for technical errors but not remarked.
- For **Mathematics**, candidates may **apply for remarking of both the Compulsory part and Extended part (if applicable) *or* remarking of either of the two parts**.

- After remarking, the final mark is calculated by averaging out all valid marks given by the original marker(s)/oral examiner(s) and the remarker(s) for the subject/paper(s) concerned.
- Remarking is not applicable to Category B subjects (Applied learning), papers under the School-based Assessment Scheme, multiple-choice papers/sections or practical papers.

IMPORTANT

- Day School candidates can ONLY apply via school.
- Candidates may apply for rechecking and/or remarking for **up to a total of four subjects**.
- An application for **one or more components of a subject is counted as one subject**.
- Candidates should **pay the required fee at the time of application**.
- A grade/level change of the component grade(s)/level(s) or the subject grade/level, the rechecking fee paid for the subject concerned will be refunded.

- **Candidates will not be given a copy of their marked scripts and/or video recordings in the speaking examinations through applications for rechecking/remarking. (Direct request to HKEAA by candidates only)**
- The results of rechecking/remarking for Category A and Category B subjects will be released on **Wednesday, 10 August 2016** (tentative)
- HKDSE candidates whose results have been revised after the rechecking/remarking may approach the JUPAS Office within the prescribed period and request reconsideration of their applications for admission to universities.
