

## Form 3 English Language Project (2007 – 2008)

**Theme** Freedom to Choose

### Curriculum addressed

A school-based, cross-curricular project involving the following subjects: English, Biology, Physical Education, Mathematics, Art and Design and IT.

### Task

On 15<sup>th</sup> Sept. 2006, a spokesman of the Food and Environmental Hygiene Department stated that local students were not eating healthily. As members of the Student Association, you want to help Wahyanites become healthy and fit. To do so, you have to:

- 1) Conduct a survey to find out what Wahyanites eat for lunch
- 2) Include the findings in a newsletter produced to promote a healthy diet, fitness and appearance
